CLOSING REMARKS & WILEY PRIZES ANNOUNCEMENT

16:30-16:50

WILEY ADVANCED

We are excited to announce that, in collaboration with Wiley, the Podium Institute Annual Conference on Sports Medicine & Technology 2025 will award three £250 Tango Card prizes to three of our accepted speakers. The prizes are as follows:

- **Best student presentation** (must be a registered student at a higher education institution)
- **Best young researcher presentation** (within 10 years of PhD completion)
- **Best newcomer presentation** (first time presenting technology/medicine in a sports context)

Wiley will also organise a special collection related to the conference where authors are invited to submit a manuscript to Advanced Intelligent Systems. More information on the journal can be found on [Advanced Intelligent Systems - Wiley Online Library](#).
